

SIM COMMUNITY LINKAGES WORK GROUP MEETING # 4

Thursday, March 24, 2016: 11:30 pm – 1:00 pm

DHCF; 441 4th Street, NW; 10th Floor; Main Street Conference Room

Dial In: 877-414-4629; Participant: 5500291

1. Introductions and Meeting Purpose

Meeting Purpose: Discuss the use of a universal standardized assessment tool or questions to gather data on the social determinants of health, and whether this tool should/could be used to facilitate person-centered care through improved information and data-sharing. This meeting will also include discussion on the workforce needed to administer this tool and the model of care needed to use the information gathered.

2. Universal Screening to collect Social Determinants of Health (SDOH) Data and Its Potential Use in DC

- a. Goals of Universal Screening for SDOH
- b. Key Components of a SDOH screening (20 minutes)
- c. Use of SDOH Information (15 minutes)
- d. Data Utilization and Exchange (10 minutes)

3. Workforce Development

4. Wrap Up and Next Steps

Next Community Linkages meeting: Wednesday, April 20th.
